

# "SUGAR & SPICE" LAYOUT

Designed by Corrine Mihlek-Brzys

*Do you have sweet baby photos but don't scrapbook in as 12"x12" format? Simply follow this recipe for a darling 8 1/2" x 11" page that features one focal point photo, an accent photo, journaling, and embellishments.*

## Materials:

Moments 'N Memories "Sugar and Spice" Kit (168-0202)

## You'll also need:

Double-Sided Adhesive Tape  
Dimensional Foam Tape  
Paper Piercer (a needle or t-pin works as well)  
Sandpaper  
Ruler

## Instructions

1. Cut Sponged Pink paper to 8 1/2" x 11" and use as background. Cut Pink Plaid paper to 8 1/2" x 6 1/2" and adhere to bottom of layout. Distress lightly with sandpaper.

2. Wrap a length of white ribbon around the paper, covering where the two patterns meet, and adhere in back. Pre-pierce evenly spaced holes (use ruler) through ribbons and paper. Stitch running stitch with pink floss.

3. Distress edges of a 4" x 6" photo with sandpaper. Cut white cardstock to 4 1/4" x 6 1/4" and mat photo. Adhere on left half of paper. (See project picture.)

4. Create photo corner by cutting a 1 1/2" x 1 1/2" at an angle. Distress with sandpaper, adhere heart on top, and attach to top left corner of matted photo. Sew three buttons to the right of the photo with pink floss and adhere sticker to the right of the buttons.

5. Computer generate journaling in pink ink on white cardstock and trim. Mat with a slightly larger (1/4") piece of Sponged Pink paper and attach to page just under photo. Distress a bear die-cut and attach to journaling block.
