## PHOTO QUOTE BOOKMARKS

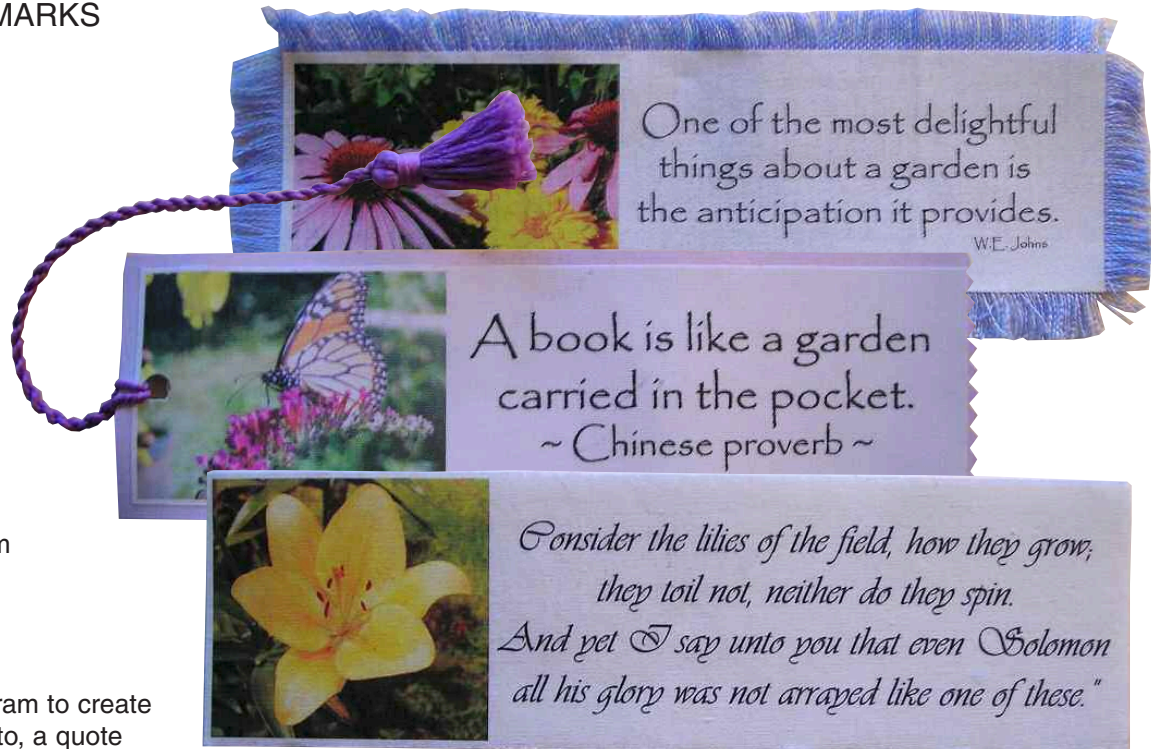

Turn your favorite quotes and photographs into bookmarks. Great for gifts, these quickie projects are easy and inexpensive to make.

### Materials:

- 085-0077 Cre8 Adhesive-backed polyester Fabric Sheets
- Card stock or contrasting fabric
- Pinking shears, optional
- Tassels (optional)
- Computer with graphics program & Ink jet printer

### Instructions:

1. Use a computer graphics program to create a bookmark that combines a photo, a quote that reflects the contents of the photo, and a solid color or patterned background. For the best use of the adhesive-backed photo fabric, print several bookmarks at one time. The dimensions of the bookmark will determine how many can fit on one sheet.
2. Print bookmarks. Cut them out. Remove backing sheet to expose adhesive. Position the bookmark on card stock or contrasting fabric.
3. Unravel the edges of the backing fabric to create fringe on all four sides. Use pinking shears to cut the end of card stock backing. Add a tassel. Refer to photo.
4. More options: Bookmarks can contain a row of photos and no text, a scan of a child's drawing or other art work instead of a photo. Add ribbons and charms or a loop made of beads instead of a tassel.
