Instructions:

1. Use 12" x 12" sheet of white handmade paper as layout background.
2. Trim 3D lavender paper to 8" x 11 1/2" and attach to left portion of layout, leaving a thin border around three sides.
3. Trim another white piece of handmade paper to 5 1/4" x 9 1/2" and attach photo toward top, leaving widest margin at bottom. Adhere to upper left portion of 3D lavender paper.
4. Apply paint to large stamps and stamp title along layout bottom. Attach a length of ric-rack across 3D lavender and matted photo, securing with staples.
5. Cut a 2" square from purple handmade paper and cut diagonally across the middle with decorative scissors, making two photo corners. Adhere to top and bottom left corners of 3D lavender paper.
6. Using a white die-cut flower, trace pattern to back of purple cardstock and cut out. Attach buttons to flower centers with floss. Adhere to page to right of picture.
7. Trim light pink cardstock to 2 3/8" x 8" and journal your story, alternating between stamped words and hand-lettering. Mat with a 2 1/2" x 8 1/2" piece of purple handmade paper. Adhere to right portion of layout.
