2013 Catalog

Steampunk was influenced by, and often adopts the style of, the 19th century scientific romances of Jules Verne, H.G. Wells, and Mary Shelley. Steampunk is a sub-genre of science fiction, fantasy, alternate history, and speculative fiction that came into prominence during the 1880s and early 1890s.

STEAMPUNK

Intricate details, rich textures and Victorian styling all come together in Janlynn's Steampunk line. Layer or cluster jewelry components to create one-of-a-kind necklaces...or...think outside of the jewelry box and use the pieces to embellish craft projects. No other time was as romantic or as exciting as the 19th century, and our Steampunk line takes you there!
