

A BEAD AT A TIME PROJECTS

Emerald Links

MATERIALS:		TOOLS:
2 Ear Wires		Round Nose Pliers
12- 8mm Jump Rings		
2 ABAT-MB163		
2 ABAT-MB166		

STEPS:

#1: Connect the following materials:

- 1 Jump ring to ear wire
- 2 Jump rings to [ABAT-MB163](#)
- 1 Jump ring to [ABAT-MB166](#)

Note: Make sure to use flat nose pliers to securely close jump rings

#2: Starting from the top, use one jump ring to link together the ring off of the ear wire and one ring from bead [ABAT-MB163](#). Use the flat nose pliers to close the linking jump ring.

#3: Starting from the bottom ring of bead [ABAT-MB163](#), use one jump ring to link together the bottom ring from the bead [ABAT-MB163](#) and the ring from bead [ABAT-MB166](#). Using flat nose pliers close the linking jump ring.

#4: Repeat steps 1-3 to make the second earring
