Cut one piece of black and white checked fabric 16" x 16".

A pattern has been provided to cut the pointed top edge of the wine bag. Fold the checked fabric in half and position the pattern on the fold line. The tips of the points should be even with the top edge of the fabric. Pin in place and carefully cut the points.

Trim the Dolly fabric ½" beyond the stitched border. Turn the edges ¼" to the back of the fabric and press.

With the checked fabric facing up, position the dolly design in the center of the bag. Pin in place and stitch the design to the bag.

Using the checked fabric as a pattern cut a matching piece from the white felt. With right sides of the fabric and felt together, and using a ¼" seam allowance, sew the pointed top edge. Trim the seam and turn right side out. Press lightly.

Placing the right sides of the checked fabric together, fold the bag in half and sew the side seam using a ¼" seam allowance.

For the bottom of the bag, cut a 5" circle from the checked fabric and white felt. Stitch the two circles together 1/8" from the edge. Pin the top to the bottom of the bag and stitch in place using a ¼" seam allowance.

Turn the bag right side out. Attach a bell to each of the 5 points. Insert your gift bottle and tie the bag with the decorative white trim.

Place point tips on edge of fabric
