

# Classic Father's Day Card

Designed by Deanna Doyle

## Materials:

50075 Classic Car Stamp  
735-3523 Black Handmade Paper  
168-0280 Black Metallic Yarn  
085-0074 Acid Free Cardstock  
Refills  
90087 Watercolors  
90077 Watercolor Cards

## You'll Also Need:

Silver Paper  
Silver Brads  
Blue Cardstock  
Black Ink  
Ultra Thick Embossing Enamel  
Embossing Ink  
Chalk

## Instructions:

1. Attach black handmade paper to card front. Add strips of silver paper and embellish with silver brads.
2. Stamp Classic Car on white panel. Shade with watercolors. Add chalk to edges of stamped panel. Cover with embossing ink and sprinkle with UTEE (ultra thick embossing enamel). Heat until the powder melts. Repeat several times until you have a thick, uniform layer. Place in the freezer to cool. Remove from freezer and bend to create cracks. Adhere to black panel.
3. Adhere stamped art to blue panel and cut slits in the corners. Thread with black metallic yarn.
4. Attach stamped, matted artwork to card.
