Instructions:

1. Cut cardstock to 10" x 7" and fold in half to create a 5" x 7" card body. Set aside.
2. Cut pink paper to 5" x 7" and use as cardfront background. Cut white paper to 4 1/2" x 6 1/2" and attach to pink paper, centering.
3. Cut two 2" x 2" squares from pink paper with pinking shears and one from blue paper.
4. Attach buttons on top of squares with clear adhesive tape. Adhere to cardfront according to project picture (orient the cardfront the long way—so the fold will be on top).
5. Stamp "baby" three times in alternating inks. See project picture.
6. Run a length of white ric-rack along the bottom, adhering in back. Attach cardfront to card body, fold side up.
